SUBJECT: Research Governance

RELATED DOCUMENTS

University Research Council Charter.

SECTION 1 POLICY STATEMENT

1.1. Khalifa University of Science and Technology (KU) furthers its mission to become an internationally recognized research intensive institution with policies, procedures, and administrative capacity that support and enable research. The Office of the Senior Vice President for Research is charged with administrative oversight over all types of internally and externally funded research that is conducted by Khalifa University of Science and Technology researchers, including faculty, students and research staff.

SECTION 2 SCOPE AND APPLICABILITY

2.1. This policy and its provisions applies to all research activities conducted at KU.

SECTION 3 PURPOSE

3.1. This policy defines the role and responsibilities of the Office of the Senior Vice President for Research (OSVPR) and University Research Council in furthering research and scholarly activities at Khalifa University of Science and Technology (KU). It governs the relationship between researchers and the OSVPR. The document specifically outlines the overarching KU research administration framework, defines clear and concise guidelines that will be followed when executing research at KU and serves as a primary reference for the academic community for both internally and externally sponsored research projects.

SECTION 4 DEFINITIONS

The following definition(s) apply to this policy document:

4.1. **Office of the Senior Vice President for Research (OSVPR):** The office that oversees all of KU's research activities through research institutes, centers and administrative departments.

4.2. **University Research Council (URC):** The most senior research governance body at KU. It oversees the strategic directions and implementation of research at the university.

SECTION 5 PROVISIONS AND GUIDELINES

5.1. The Senior Vice President for Research (SVPR), senior research management, deans, faculty and other academic and research staff have the collective responsibility of ensuring the high standards of research and compliance with all applicable university policies and procedures.

5.2. Collective governance of research at Khalifa University of Science and Technology

The online version of this policy document is definitive.

(KU) will be implemented through the University Research Council.

5.3. The OSVPR oversees research units and implements programs that provide the infrastructure and support mechanisms for conducting world-class research while enhancing the scholarly outcomes of the university and promoting and enabling partnerships with external stakeholders in pursuance of Abu Dhabi and UAE needs.

5.4. The functions of the OSVPR in support of research excellence are to:

5.4.1. Develop, maintain, and implement a policy and operational framework for research activity that is supportive of KU's mission to raise the research profile and activity of the university;

5.4.2. Establish research institutes and centers that are aligned with the needs of Abu Dhabi and the UAE and position the university as a world leader in its chosen research focus domains;

5.4.3. Ensure compliance by all research projects with the KU mission, with relevant KU policies and procedures, and with the requirements of sponsors or funding agencies;

5.4.4. Ensure administrative compliance of KU research activities regarding conflict of interest, responsible conduct of research, export control and research involving human and animal subjects;

5.4.5. Provide administrative support to faculty members interested in obtaining or bidding for a grant or contract from an external agency, to ensure implementation of awards contractually, to monitor submission of required reports, and to handle part of the administrative communication with the granting agencies;

5.4.6. Support the Finance Department in the financial management of research awards, including creating projects budgets, issuing awards, and tracking project spending performance;

5.4.7. Ensure that research laboratory equipment and infrastructure is available, safe, and maintained for use by faculty, students and research staff in their research activities;

5.4.8. Ensure that research computing resources are available and maintained for use by faculty, students and research staff in their research activities;

5.4.9. Establish and maintain ties with sponsors and funding agencies; and on a periodic basis, to inform faculty members of funding and consulting opportunities and deadlines;

5.4.10. Set forth the university's intellectual property policy and inform faculty members and students on intellectual property rights while ensuring the protection of scholarly outcomes and registration of inventions, scientific, or creative works whenever warranted, and commercializing faculty and student intellectual property;

5.4.11. Provide periodic summary reports to the government, decision makers, and the academic community on the portfolio of research projects conducted, and the scholarly activities and outcomes of the KU faculty and students; and

The online version of this policy document is definitive.

5.4.12. Maintain and update all policies related to research and notify faculty of policies changes.

SECTION 6 RESPONSIBILITIES

6.1. The OSVPR is the custodian of this policy. All inquiries and matters relating to the policy will be addressed to the SVP for Research.

6.2. All policies and procedures contained in this policy operate in accordance with KU's Delegation of Authority.

SECTION 7 REVIEW STATEMENT

7.1. This policy will be reviewed once every four (4) years or as otherwise requested by Khalifa University of Science and Technology senior management.

SECTION 8 APPROVAL AUTHORITY AND REVISION HISTORY

This policy document has been approved by the Khalifa University of Science and Technology's Board of Trustees. Original documentation is on file in the Office of the President. The online version is definitive.
