SUBJECT: University Transportation Services

RELATED DOCUMENTS

STL 5720 Student Transportation Services.

SECTION 1 POLICY STATEMENT

1.1. Transportation is provided in support of university business on the request of end users in line with established procedures and the Delegation of Authority, where applicable.

SECTION 2 SCOPE AND APPLICABILITY

2.1. This policy document applies to all university personnel and students. It excludes service contractors.

2.2. This policy document governs the movement of approved materials, students and personnel between campuses in support of academic and research business.

SECTION 3 PURPOSE

3.1. This policy document provides the foundation and framework for the provision of transportation services of the university for business purposes.

SECTION 4 DEFINITIONS

The following definition(s) apply to this policy document:

4.1. **Best Practice**: The most effective and desirable method of carrying out a function or process derived from experience rather than theory.

4.2. **DoA**: Delegation of Authority.

SECTION 5 PROVISIONS AND GUIDELINES

Types of Transportation

5.1. Bus transportation is provided to students for field trips, to commute from dormitories to the campuses, and to bring students to and from their homes on weekends (refer to *STL 5720 Student Transportation Services).*

5.2. Bus transportation is available to ferry faculty, students, and staff between campuses according to an established and approved schedule.

5.3. Transportation by car is provided to approved personnel for business purposes through car hire or by use of the university fleet.

Conditions of Access to Services

5.4. When appropriate, costs of transportation are recovered from the concerned end user's budget account.

5.5. Transportation requests that have budget impact require preapproval in line with the DoA and established procedures.

The online version of this policy document is definitive.

5.6. Bus transportation for students during the semester is scheduled by the Office of Student Services for daily and weekend commutes.

5.7. Student buses for field trips are requested as per the procedures published in the FM Operations and Procedures Manual and require advance confirmation of available budget.

5.8. Car transportation is requested as per the procedures published in the FM Operations and Procedures Manual and requires advance confirmation of available budget.

SECTION 6 RESPONSIBILITIES

6.1. The director of FM is responsible for administering and implementing the provisions of this document, and for ensuring that the document is used to inform decision making.

6.2. The director of Student Services is responsible for submitting transportation requirements to the Transportation Section for the student commuter bus schedule each semester.

6.3. The dean of the Graduate School and Registrar are responsible for endorsing that the inter-campus bus schedule is appropriate for each semester academic schedule.

SECTION 7 REVIEW STATEMENT

7.1. This policy document is reviewed once every three (3) years, or more frequently when requested by the Executive Vice President.

SECTION 8 APPROVAL AUTHORITY AND REVISION HISTORY

This policy document has been approved by the Khalifa University of Science and Technology's Board of Trustees. Original documentation is on file in the Office of the President. The online version is definitive.

First disseminated by the Office of the Executive Vice President on 01 January 2018
