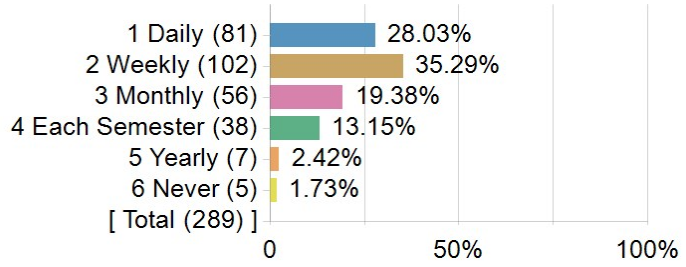
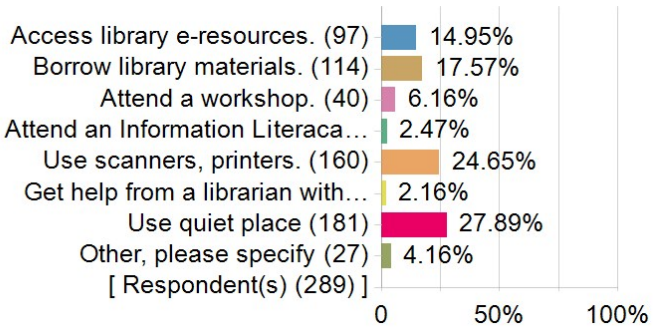
How often do you visit the library?

How often do you visit the library?



Statistics	Value
Response Count	289
Mean	2.32
Median	2.00
Mode	2
Standard Deviation	1.18
Population Standard Deviation	1.18
Standard Error (base on SD)	0.07
Standard Error (base on PSD)	0.07

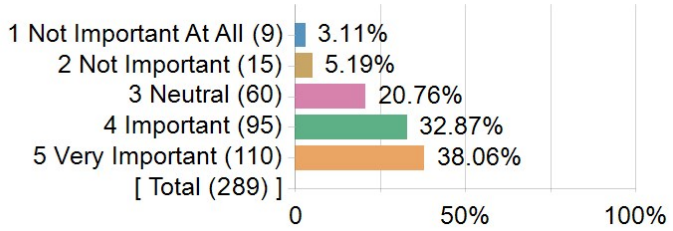
Why do you visit the library? (check all that apply):



How important are the following library services to you?

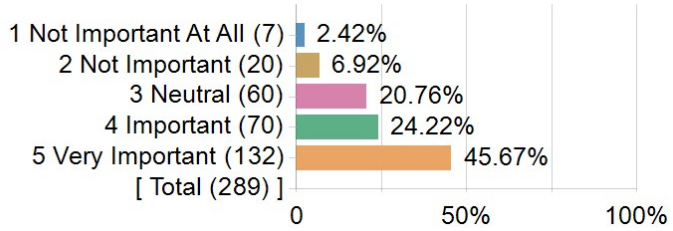
Competency Statistics	Value
Mean	3.78
Median	4.00
Mode	5
Standard Deviation	1.18
Standard Error (base on SD)	0.03
Population Standard Deviation	1.18
Standard Error (base on PSD)	0.03

1. Borrowing materials.



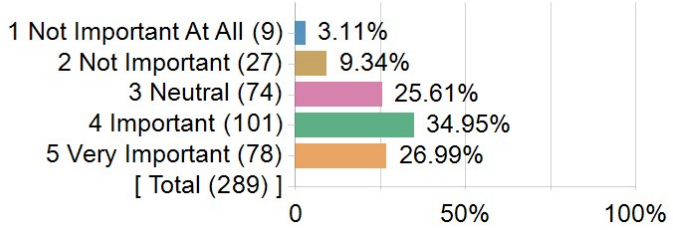
Statistics	Value
Response Count	289
Mean	3.98
Median	4.00
Mode	5
Standard Deviation	1.04
Population Standard Deviation	1.04
Standard Error (base on SD)	0.06
Standard Error (base on PSD)	0.06

2. Searching databases.



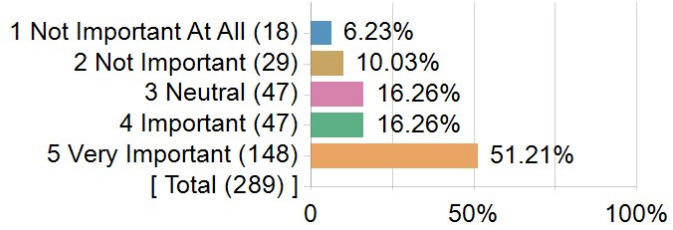
Statistics	Value
Response Count	289
Mean	4.04
Median	4.00
Mode	5
Standard Deviation	1.08
Population Standard Deviation	1.08
Standard Error (base on SD)	0.06
Standard Error (base on PSD)	0.06

3. Getting assistance from librarians.



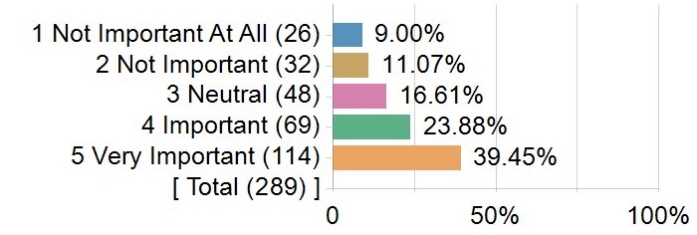
Statistics	Value
Response Count	289
Mean	3.73
Median	4.00
Mode	4
Standard Deviation	1.05
Population Standard Deviation	1.05
Standard Error (base on SD)	0.06
Standard Error (base on PSD)	0.06

4. Using printers.



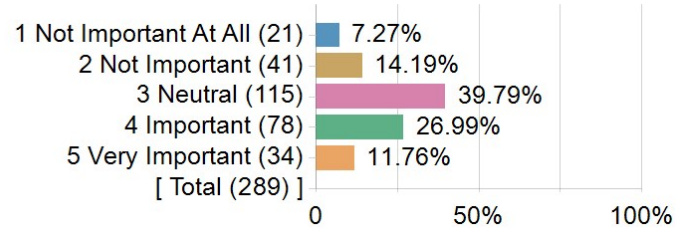
Statistics	Value
Response Count	289
Mean	3.96
Median	5.00
Mode	5
Standard Deviation	1.28
Population Standard Deviation	1.28
Standard Error (base on SD)	0.08
Standard Error (base on PSD)	0.08

5. Using group study rooms.



Statistics	Value
Response Count	289
Mean	3.74
Median	4.00
Mode	5
Standard Deviation	1.32
Population Standard Deviation	1.32
Standard Error (base on SD)	0.08
Standard Error (base on PSD)	0.08

6. Attending workshops, and Information Literacy classes.

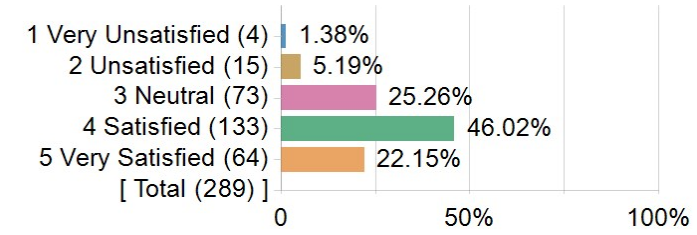


Statistics	Value
Response Count	289
Mean	3.22
Median	3.00
Mode	3
Standard Deviation	1.06
Population Standard Deviation	1.06
Standard Error (base on SD)	0.06
Standard Error (base on PSD)	0.06

Please indicate your level of satisfaction related to the following library services

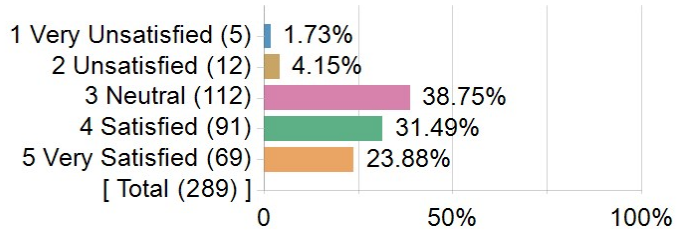
Competency Statistics	Value
Mean	3.73
Median	4.00
Mode	4
Standard Deviation	0.88
Standard Error (base on SD)	0.02
Population Standard Deviation	0.88
Standard Error (base on PSD)	0.02

1. Library collection and resources



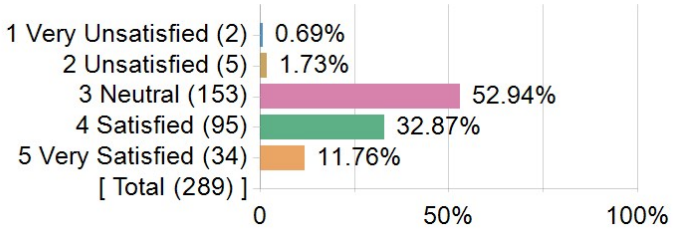
Statistics	Value
Response Count	289
Mean	3.82
Median	4.00
Mode	4
Standard Deviation	0.88
Population Standard Deviation	0.88
Standard Error (base on SD)	0.05
Standard Error (base on PSD)	0.05

2. Interlibrary Loan



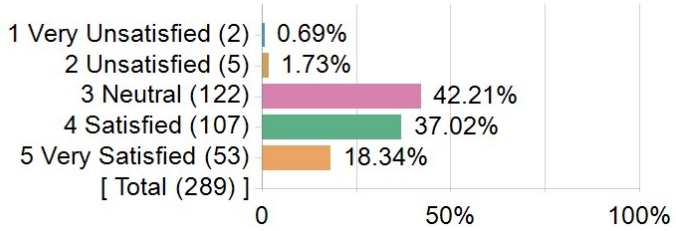
Statistics	Value
Response Count	289
Mean	3.72
Median	4.00
Mode	3
Standard Deviation	0.93
Population Standard Deviation	0.93
Standard Error (base on SD)	0.05
Standard Error (base on PSD)	0.05

3. Information Literacy classes



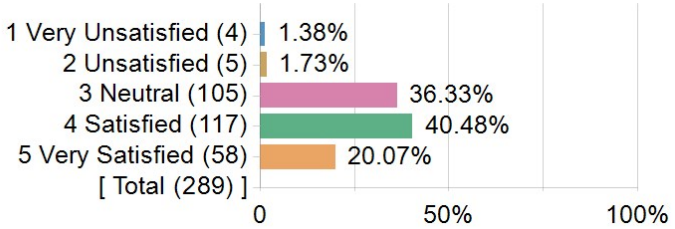
Statistics	Value
Response Count	289
Mean	3.53
Median	3.00
Mode	3
Standard Deviation	0.75
Population Standard Deviation	0.75
Standard Error (base on SD)	0.04
Standard Error (base on PSD)	0.04

4. Circulation services



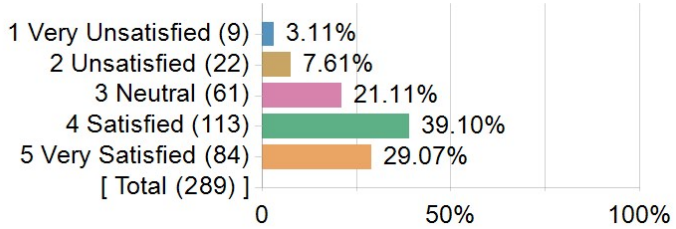
Statistics	Value
Response Count	289
Mean	3.71
Median	4.00
Mode	3
Standard Deviation	0.81
Population Standard Deviation	0.81
Standard Error (base on SD)	0.05
Standard Error (base on PSD)	0.05

5. Reference services



Statistics	Value
Response Count	289
Mean	3.76
Median	4.00
Mode	4
Standard Deviation	0.84
Population Standard Deviation	0.84
Standard Error (base on SD)	0.05
Standard Error (base on PSD)	0.05

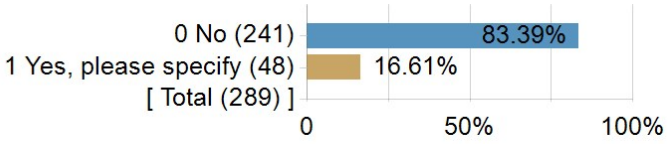
6. Hours of operation



Statistics	Value
Response Count	289
Mean	3.83
Median	4.00
Mode	4
Standard Deviation	1.03
Population Standard Deviation	1.03
Standard Error (base on SD)	0.06
Standard Error (base on PSD)	0.06

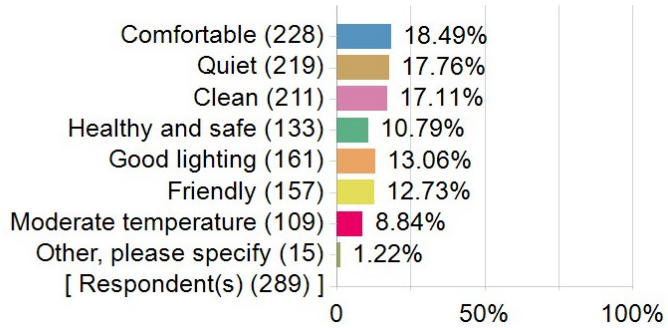
Are there any other services you would like the library to provide?

Are there any other services you would like the library to provide?

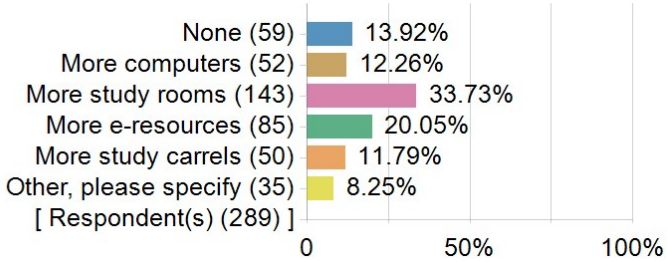


Statistics	Value
Response Count	289
Mean	0.17
Median	0.00
Mode	0
Standard Deviation	0.37
Population Standard Deviation	0.37
Standard Error (base on SD)	0.02
Standard Error (base on PSD)	0.02

Please choose what best describes the library atmosphere (check all that apply):



Please choose the areas in which you think the library can improve upon:

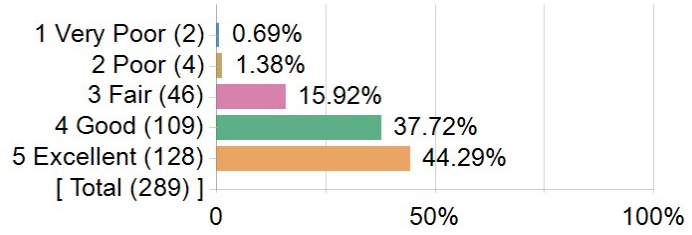


How would you rate each of the following services:

Competency Statistics	Value
Mean	3.92
Median	4.00
Mode	4
Standard Deviation	0.91
Standard Error (base on SD)	0.02
Population Standard Deviation	0.91

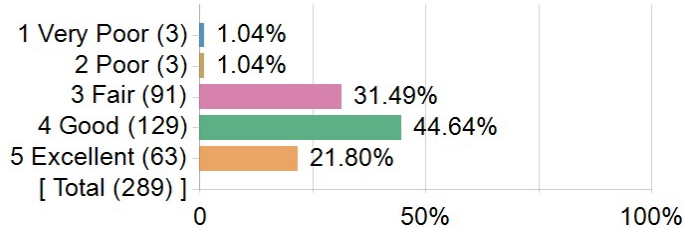
Competency Statistics	Value
Standard Error (base on PSD)	0.02

1. Customer service



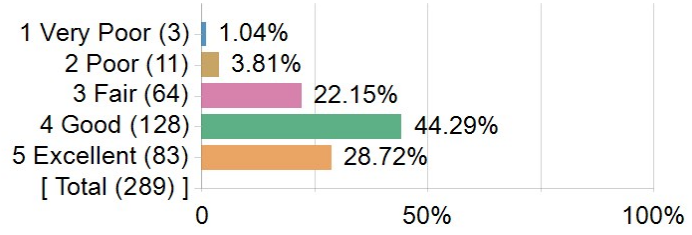
Statistics	Value
Response Count	289
Mean	4.24
Median	4.00
Mode	5
Standard Deviation	0.82
Population Standard Deviation	0.82
Standard Error (base on SD)	0.05
Standard Error (base on PSD)	0.05

2. Workshops, IL classes, Events



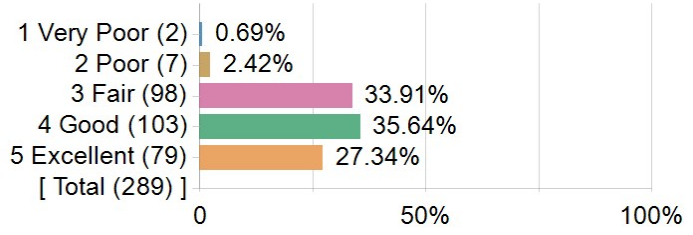
Statistics	Value
Response Count	289
Mean	3.85
Median	4.00
Mode	4
Standard Deviation	0.80
Population Standard Deviation	0.80
Standard Error (base on SD)	0.05
Standard Error (base on PSD)	0.05

3. Online services (website, research databases, Libanswers, Libchat)



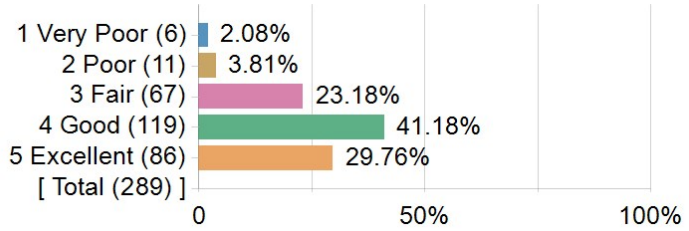
Statistics	Value
Response Count	289
Mean	3.96
Median	4.00
Mode	4
Standard Deviation	0.87
Population Standard Deviation	0.87
Standard Error (base on SD)	0.05
Standard Error (base on PSD)	0.05

4. ILL (Interlibrary Loan)



Statistics	Value
Response Count	289
Mean	3.87
Median	4.00
Mode	4
Standard Deviation	0.87
Population Standard Deviation	0.87
Standard Error (base on SD)	0.05
Standard Error (base on PSD)	0.05

5. Computers



Statistics	Value
Response Count	289
Mean	3.93
Median	4.00
Mode	4
Standard Deviation	0.93
Population Standard Deviation	0.93
Standard Error (base on SD)	0.05
Standard Error (base on PSD)	0.05

6. Printers

Response Count	289
Mean	3.83
Median	4.00
Mode	4
Standard Deviation	0.97
Population Standard Deviation	0.97
Standard Error (base on SD)	0.06
Standard Error (base on PSD)	0.06

Please share with us any comments or suggestions you have

Comments
The survay was done for MI library
The study spaces on floor 2 are unused and actually wasteful. It would be better to have a bigger tables that are open (not blocked) where people can sit comfortably. And more people can occupy it (like the lounge tables in R building)
Take action by cutting chit-char
more study rooms please
Study rooms should be strictly supervised for students who keep their belongings inside the rooms and leave.
It would be nice if working hours increases, I would like sometimes to stay longer in the library to continue and finish my studies, rather than stop.
I hope that libraries can be opened a bit before 8AM, for people who have classes at 8 and need any papers/assignments to be printed.
NA

Comments
A group of less than 3 students should not be allowed to use study rooms
More study rooms please
Moderation of noise in 3rd floor
Change the chairs in the study room, they are not comfortable
I like spend time at the library it help me to think clearly and to study well
NA
If possible as I spend all my days here almost studying , it is hard to move my books each day so if possible if I can leave my stuff that would be great like the choice of choosing a place to study as an office may be otherwise this library is better than the one we used to have in the old building
Generally a very welcoming environment with very professional staff always available. A very important area of the university always very busy with students using meeting rooms in groups. Good quiet areas usually available also.
Just focus on eLibrary and related workshops
Opening Hours needs to be reviewed
It will be great that one can download papers directly once connected on any KU networks. This practice is avialable in top universities.
No ac in some study rooms. Study rooms screen doesn’t work
The study rooms are often left very untidy by the students. The inter library loan has been amazing and helpful to me especially for papers I cannot access in the system
Accessing databases have been an issue either from campus or home. Remote access is a big issue. We cannot do research from home.
KU library should have more e-journals, such as those from American Chemical Society
More study rooms should be available. The library should not be too cold nor too hot or humid.
Kindly education librarians in sas al nakhl campus. One of the guy is very rude and loud. They should maintain quietness during libray hours.
please configure your system in such way if i am in ku domaine i can download any paper that one can find in google if it is available in the library data base
We want to have more individual cabines and papers in the secobd abd third floor as well as printers in all floors
Please please put more study rooms for students around campus
Thank for your efforts.
I would like if there were engineering softwares in the library computers so that we do not need to go to the labs to do the work because sometimes the labs are not available...
The librarian’s voice is very loud and he keeps distracting us from our studies and work
More access to online books, technical reports, and articles
The smell of the library very bad, and the one who working in the reception very noisy and he always talking with his phone
We hope u provide more printers and fix the damaged ones
"fair" means "no opinion" for services I rarely use
The tables and chairs are not ergonomic. The study room chairs are too high, the long tables in the second floor are not smooth. Also the lights are either very sensitive or not sensitive enough because they keep opening and closing. We also don't have many books(scientific), we have to get new editions of the books such as the ones we're using. We can donate our used books that are in good condition.
overall library is v good
creating environment for students to always choose library for studying so that with more numbers of students the mood to study will also be significantly high. if students, they don't have to be friends, are studying close to each other in a crowd, there is a sense of competition, environment of hard work that could really influence the student to study consistently. that is just my opinion. ,
Bring more workshops to Masdar/SAN campuses. Most workshops are in KU.
Please monitor the study rooms because sometimes there is only one student there and groups connot access , or sometimes they left their things inside the study room to reserveit and go for long time out.
Please subscribe to various journals so that we can access various articles required for our research. Moreover, computers connected to the internet should login directly to the various journals.
It should be easier to suggest books for the library to purchase for the collection
please more operating hours and easier access to the publications and journals

Comments
Main campus Library needs improvements. To save costs, main campus lib just say item not available. SAN lib is excellent. ILL should be managed by SAN lib. One could get books from UK with SAN lib, but not with main campus lib. They just don't care. For math, full mathscinet should be made available
Accessing e-resources through inter library loans has been almost impossible for me this semester. So If this service can be improved, I think that will be a great deal and more satisfied e-resource users.
arzanah's library stinks we can't even stay there anymore, the studying rooms are so cold we freeze going there, printers are out of order every day or so, but everything else is fine
All library staff are very helpful and friendly. keep doing what you do thank you
Very happy with services
excellent service and facility
Fair corresponds to Non Applicable answers in this last set of questions.
N/A should be included in the survey
library rooms could be designed better, perhaps next to cleaner windows so we can see the sun and not feel a tad but suffocated. Allow us to eat and what not but perhaps not like full on meals just snakes and “punish” thoughs who cant clean up after themselves. When cleaning the library use better equipment it kinda doesnt smell nice. this suggestion might not help but having a bigger library would be nice cz it feels like their are too many humans breathing the same air and most times those people are sooo loud smh.
Some students leave their belongings in the study rooms (in Arzanah)for a long time, making the room unaccessable to other students. The library is not always quiet, some students engage in loud converaations. I suggest to allow students to bring snacks/drinks/coffee in the library .
Satisfied user
I would like to know what is the role of the librarians and what can the library provide me from services (other than obvious services). Also, please distinguish in the surveys which library you are talking about since the main campus services are better than PI.
Please make it more quiet for us and control student that whose chatting in loud voices especially in the third floor which must be quiet place
its soo cold we can't last long without Jackets and worm socks
Please consider these ideas. 1-A queit room: a sound proof room that has only one chair and is used only for reading books. 2-More printers. 3-After the sun is down, reduce the lighting to make it ambient
More technical software on the library computers; more electronic resources for technical subjects
Maintain the quietness in the library
n/a
sometimes there is a really bad odor that we can't sit in the library.
Library is too small, too cold, not good for study.
please provide a presentation explaining how to use the online library for research and articles access.
Allow snacks in library / more printers
