This proposal you gave us earlier, and we met with you and Hesham to give us the fixed amount per head so it will be standard regardless the student is in summer 1 or summer 2.
Would you please update us in this regard. Thus, you will update the proposal with new information.

Appreciate to receive this update at earliest so we can confirm to you. For the time being, we will keep this current proposal on hold, till you give us the requested information as per our last meeting.

Dear Airen

I do remember after our meeting with you and Hesham along with our colleagues Khaled and Mariam from ADNOC in Jul/Aug, we highlighted to propose a new way for Summer 1 and Summer 2 year 2022 to have a fixed cost per head.
So far we have received from your end only for Winter 2021, and processed successfully with our Finance team.

Kindly send us your proposal so we can confirm then you can proceed issuing the invoice.

Thanks and Regards
