Borouge Classification: Need-To-Know

Dear Airen, Fatema and Hesham,

Thank you so much for the revised proposal including the accommodation charges for the students in KU Dorm.

So, we are aligned and appreciate releasing the invoice for the amount **AED 46,100** asap to process the payment due to year ending closure.

I also take this opportunity to thank everyone of you and the entire KU team members & faculties for the great support to make this Al Roya Winter program successful.

Looking at the feedback from the students and let us have an early alignment similar to this on the charging mechanism ahead of the program.

Once again thanks to KU team for the extended support,

Best regards,
Sarra
