Ref: KU/2022/CE 001

From: Hesham Salem – Business Development Manager

To: Dr. Ebrahim Al Hajri – SVP Support Services & Director Continuing Education

Date: 20 January 2022

Subject: Training Course Cost and Prices 2022

As part of Continuing Education strategy is to standardize training course rates to align with Khalifa University's direction. The table below shows the cost incurred and prices prepared based on the standard CE calculator.

The below rates will be served as department's standard training course rates guidelines effective January 2022.

Pricing Structure

1. Face to Face training actual cost with 30% overhead
2. Online Training with 20% discounted rate from the face to face course cost
3. Group / corporate as per the management approval

The rates will be reviewed periodically and updated based on the current market conditions and KU interest, any discount over / below rate should be within the provided authority.

For your kind approval:
