SPACE RENTAL POLICY & PROCEDURES

Last Updates: March 28, 2019

1. INTRODUCTION

Khalifa University has different types of spaces for different purposes and uses across the three campuses, KU Management in a favor to make these spaces more beneficial by making them available for hire and use by external parties. The priority is always remain for KU users (students, faculty and staff) to book and use the spaces.

While such activity shall be covered by other logistical, financial and legislative arrangements, these arrangements shall be always at the top of considerations in the exploitation of those spaces rental. This Document describes the procedures related to KU space rental and its related controls. Facility and Administration Department is the custodian and shall always ensure the adherence of all parties.

2. DISTRIBUTION OF THE DOCUMENT

The FM Administration Director is responsible of publishing the document and any subsequent updates to Department Heads and other KU's employees as authorized, in accordance with instructions received from Vice President of EHS, Facilities and Administration. Each member of the Department Head's should have access to the procedure and declare of understanding, and be encouraged to study and implements its contents.

3. UPDATING THE PROCEDURE

Updating the document content from time to time is required to accommodate new procedures, reflect changes in policies and/or to meet changes in organization or methods.

Recommendations for document improvement are encouraged; Department Head who determines a need for procedure revision will describe the recommended revision, include proper justification for that revision, and forward the recommendation to FM/Admin Director.

The FM/Admin Director will review the request and will approve the recommended changes when considered appropriate. After the approval by Vice President of EHS, Facilities and Administration, the amended document would be published to all users.

4. PROCEDURES
